

HIGH SCORERS AWARDS

CONGRATULATIONS MESSAGE

We oftentimes hear of how our world has changed in these past two years, with silent streets and empty schools, limited learning opportunities and lost years. The pandemic has brought unprecedented challenges to all areas of our lives. Nonetheless, the human endeavour to rise up and keep learning, the efforts to ensure education doesn't actually stop is evidenced in the achievement of all our candidates - and by extension - their dedicated teachers - during this pandemic.

All those receiving their awards can be so proud of their efforts in this rather strange landscape of learning - communicating with one another through screens for a large part of the past year or two and living in isolation. Each candidate will have their own unique stories of how they, together with their teachers, their family and those around them, manage to continue along their path of success, surmounting the trials which Covid-19 has thrown at the world.

Many congratulations to everyone celebrating the achievements of these high scorers. May their feats and efforts be an inspiration to spur everyone forward in scaling the greater heights - be it in music, in verse or in life!
